 - b) SFX /Metalib Summit Update

The committee is in a planning phase with several issues before us including the ETD initiative and the proposed SFX/MetaLib summit. On February 7, 2006, Monica Metz-Wiseman and Todd Chavez completed an initial draft of a survey that will be used to gauge the content for the summit. This document will be submitted to the DDAC and ERS membership for review and refinement prior to electronic distribution (via Survey Monkey in the coming weeks) to the TSPC, PSPC, DDAC, ERC, CMC, and the FCList for input. All results will be available for review by the CSUL and the information derived from the survey will define the agenda for the coming summit. [See [Attachment #8](#)]

c) Metadata and Cataloging Summit Update

The TSPC is charged to plan a Metadata and Cataloging summit with the DDAC and make a proposal to the CSUL. Susan Heron of USF volunteered to coordinate planning with the DDAC on behalf of the TSPC. Preliminary discussion is underway, but the DDAC is also involved in planning the SFX/MetaLib summit so scheduling the dates for both summits is a separate issue for them. [Attachment #10]

*DIRECTIONS TO RESTAURANT MEDURE
818 A1A N., PONTE VEDRA BEACH 32982
904-543-3797

Take J. Turner Butler Blvd. east to A1A south (exit for Ponte Vedra Beach/St. Augustine) – approx. 7 miles from campus.

Go south approximately 5 miles, past the intersection for the Sawgrass Marriott (TPC Blvd. on right, Sawgrass Country Club on left).

THIS IS TRICKY – Signage is unobtrusive--Restaurant Medure is on the right in an office building complex – drive past two buildings (called the Veranda) – make a right hand turn between buildings 2 and 3 – Medure is on the back side, right hand corner of building 2 – parking in back.
